

i-COME'20

The 7th International Conference on Communication & Media

"Breaking the Barriers, Inspiring Tomorrow"

CALL FOR PAPERS AND PARTICIPATION

18 - 20 JULY 2020 | HILTON KUCHING, SARAWAK, MALAYSIA

CONFERENCE TRACK

Authors are invited to submit the complete, original, and unpublished research papers to i-COME'20 which may address theoretical, methodological or practical aspects related to communication and/or media and should revolve around the conference theme (papers not explicitly addressing the following sub-themes are also welcomed):

- Organisational Communication
- Communication for Social Change
- Intercultural Communication
- Political Communication
- Media and Journalism
- Communication and Education
- International Communication
- Environmental Communication

New to i-COME'20 are the Doctoral Colloquium (norhafezah@uum.edu.my), Workshop, and Networking and Engagement tracks (suhaini@uum.edu.my) to provide platforms for more participation and extending professional network. Those interested in a particular track may get the details from the committee in charged via email as stated. Please direct all inquiries regarding participation to icome@uum.edu.my or n.hayati@uum.edu.my.

IMPORTANT DATES FOR PAPER PRESENTATION / POSTER / DOCTORAL COLLOQUIUM

Abstract deadline : 31 December 2019

29 February 2020

Acceptance letter of Abstract : 2 March 2020

Full paper / proposal submission deadline: 31 Mac 2020

Notice of acceptance: 30 April 2020

Submission of camera ready paper: 15 May 2020

PUBLICATION

Submitted full papers will undergo a double-blind review process by the Scientific Committee. Once accepted, they will be published in EpSBS - The European Proceedings of Social & Behavioural Sciences. The proceeding volumes will be submitted for indexing in Web of Science WOS Clarivate ISI Conference Proceeding Citations Index (ISI CPCI). In addition, selected paper by Technical Committee will be considered for publication in SCOPUS or INDEXED journal with additional payment. Manuscripts submitted to the journals should be extended by at least 40% compared with the conference ones. The definitive decision will be notified to the authors based on the quality of the paper. All papers will undergo the review procedures of the specific journals.
